Subject - Acquisition of properties in Anehalli village for improvement of Bhadravathi Town.

Adverting to Government Notification No. L. 6206/ML13-38-64 dated 2-2-39 publishing the Preliminary Notification relating to the acquisition of certain properties in Anehalli village, Shimoga Taluk, for the improvement of Bhadravathi Town, I have the honour to state that the preliminary notification was widely published in the village Acquisition proceedings could not however be pursued till now as the Municipal Council of Bhadravathi had not had sufficient funds at its credit to meet the cost of acquisition Now that a grant of Rs 10,000/- has been placed at its disposal for the improvement of the Town, the Sub Division Officer, Channagiri Sub Division, Bhadravathi, has submitted the records with draft declaration notifications for obtaining sanction of Government

It is seen from the records that several petitions have been received in response to the Preliminary Notification calling for objections, if any, to the acquisition, But none of the petitioners objects to the acquisition as such The petitions are merely claims for compensation or representations regarding measurements or boundaries. These are questions which will be dealt with by the Acquisition Officer while passing the awards.

In one of the petitions referred to above, Mr V V. Aiyar, a resident of Bhadravathi and a person claiming an interest in some of the properties notified for acquisition represents that if the President of Bhadravathi Municipal Council is appointed Land Acquisition

Officer, the owners of properties to be acquired will be prejudicially affected regarding the amount of compensation to be awarded in view of the fact that as President of the Municipality, the Land Acquisition Officer will be interested in awarding as low a compensation as possible. He has therefore prayed that some other Assistant Commissioner may be appointed Land Acquisition Officer in this case.

In my opinion, the objection of Mr. V V Aiyar is not tenable The Land Acquisition Officer is not a Judicial Officer and he acts only as an Agent of the Government If the owner of the land acquired desires a judicial decision as to its value or real claimants and as to their title, etc., they can obtain it by requiring the matter to be referred by the Land Acquisition Officer to the Court under section 18 of the Land Acquisition Act. There is much administrative convenience and scope for expeditious disposal of the acquisition cases if the Sub Division Officer, Bhadravathi were to be appointed Land Acquisition Officer for all cases of acquisitions in and around Bhadravathi The Sub Division Officer, Shimoga, who is the only other nearest Sub Division Officer, cannot possibly devote as much attention to the quick disposal of acquisition cases and with as much convenience as the Sub Division Officer, Bhadravathi I therefore recommend that in these as well as in the other Land Acquisition cases relating to Bhadravathi, the Sub Division Officer, Bhadravathi may be appointed Land Acquisition Officer

In these circumstances, I request you kindly to obtain sanction of Government to the acquisition of the properties covered by the enclosed draft declaration statements. The Sub Division Officer, Chennagiri Sub Division, Bhadravathi being appointed Land Acquisition Officer.

As regards the vacant sites which though they were included in the Preliminary Notification have been omitted in the Declaration

Statements because these are not now required. Withdrawal notifications will be submitted in due course.

The entire file of records containing the Declaration statements, duly countersigned, accompanies.

One hundred spare copies of the printed notification may kindly be caused to be sent to the Sub Division Officer, Bhadravathi, direct.

I have the honour to be,
Sir,
Your most obedient servant,

Navanet

Deputy Commissioner,
Shimoga District.
